Start Time __2 pm_____

Stop Time __3:30 pm_____

Topics for discussion;

Site review for new build lot 20 filing 6 301 Wood Nymph Lane. Contractor Cris Shaw and owners Willcut and Mcarthur present, site was staked out with the foot print of the home and driveway, house is 1660 SF and will partially be set into the trees with the front door opposite side of the home away from the street. Looks as if the home will fit well within the lot . ARC has granted this project preliminary approval.

New starts; Dunn project 1675 Elk Springs will be getting excavation approval on October 14, 2021.

New business.

Next meeting is scheduled for October 21st. 2pm and place to be determined.
